

Interior Design in the Age of Internet Creator Culture

JUNE 10TH 3:00 PM

Join the discussion on the evolving landscape of teaching and learning in Interior Decorating and Visual Display. You are invited to share your perspective on today's context of creativity, self-expression, viral trends, and community building on social media. Come discuss how you address the program goals of adaptability and entrepreneurialism in an age that enables monetization of digital social spaces.

Every Monday at 3:00 PM, the Voc Talk Café focuses on a specific trade sector but remains open to all vocational educators. The first 15 minutes are dedicated to information and the next 45 minutes to discussion and exploration.
