

Innovation and Reflection: A Year's End Sign-Off

JUNE 17TH 3:00 PM

As we near the summer season, join us for a unique episode—no specific theme, just a warm invitation to vocational educators to share classroom successes, revisit key moments of the Voc Talk Café, and reflect on its future. This season finale wants to blend reflection and forward-looking inquiries while celebrating achievements.

Every Monday at 3:00 PM, the Voc Talk Café focuses on a specific trade sector but remains open to all vocational educators. The first 15 minutes are dedicated to information and the next 45 minutes to discussion and exploration.
