CALLING ALL VT TEACHERS!

Would you like to discuss teaching a trade with your fellow teacher colleagues to find out more about how they teach, and what works for them?

At QACVE 2024, we will have a poster session where you can do just that!

You

Can!

The QACVE poster session is set up like the science fairs of our youth, with each presenter (or group of presenters) at a kiosk with a 'poster' of what they

want to share with their colleagues. Participants will walk around the room and visit the different kiosques to discuss these great ideas! It is a fantastic low-stakes way of sharing teaching tips and strategies that work!

- poster
- digital presentation
- pamphlets
- interactive activity
